

**Economical  
Registration  
Solutions Packages  
Begin at  
\$3000**

**The most  
economical way  
EVER  
to register  
your attendees,  
speakers &  
Exhibitors**

**\$3000 Bare Bones Registration Includes:**

1 Linux Server – (to host database of attendees, contains mirrored drive array for redundancy and backup)  
4 WinXP Computers (for use during on-site registration and badge re-prints if requested)  
2 Laser Printers  
500 Badges Printed (requires pre-registration and pre-printing of expected attendees)  
500 Vinyl Badge Holders with String Lanyard  
Professional Staff (one manager, three data entry staff)  
Data Entry, Pre-Printing and Alphabetizing of Attendees and VIP's

\*Example above reflects typical local two-day event (one day set-up, two days of event registration management).

*We can save you thousands of dollars compared to other registration companies by providing any or all of the services below, and tailor a solution that is best for your organization:*

- **Computers** (Linux server w/ mirrored drive array to host database, Windows XP terminals)
- **Laser Printers**
- **Badge Stock** (with bar code of encoded attendee data if required for lead retrieval)
- **Vinyl badge holders**
- **Website Hosting and development**
- **Secure Shopping Cart Systems with SSL and Database Management**
- **On-site Labor** (done by professionals with years of experience managing on-site registration)
- **Hand-Held Lead Retrieval Systems** (offer your exhibitors for lead retrieval or to verify attendance at sessions)

**Let us customize a solution that works best for you!!!**
